Regarding the WL EPA/COE/AG event, we're working on thoughts here with the OPA Tiger Team that we can put in front of you and then start to coordinate.

Please understand: my presence at this meeting is at most “possible” because I have to be available between 7-18 April for jury duty in Lawrence. Given limited time control, being in STL for West Lake takes precedence. Here’s hoping we can arrange an EPA/COE/AG event before 7 April.
